

# FREE COVID-19

# TESTING

The Florida Division of Emergency Management will offer drive-up viral and antibody testing. Symptoms are not required.

**8 a.m. to 4 p.m.**

**Every day but Wednesday**

**Volusia County Fairgrounds  
3150 E. New York Ave., DeLand**

## ANTIBODY TESTING

Medical professionals will conduct blood draws. Results will be available in 30 minutes. This testing is available for adults 18 and older with a photo ID. Antibody testing is offered on a first-come, first-served basis.

## VIRAL TESTING

Medical professionals will supervise as you swab your nose in your vehicle. Results are expected in two to five days.

Viral testing is available for people ages 5 and up. Adults must show an ID. Those under 18 must have signed parental consent.

Appointments for viral testing are required. Visit [doineedacovid19test.com](https://doineedacovid19test.com). Bring your printout to the site. If there are openings, you may register onsite with your smartphone.
